WELCOME TO BSI ONLINE

BENEFITS

- Letter notifications contain last testing company name and phone number on file.
- BSI sends courtesy test due reminder emails to the last tester of record.
- Past test history and receipts are maintained by BSI at no additional cost to you.
- BSI tracks the expiration dates of licenses and test gauge calibrations.
- These added features aim to help you stay organized and up to date with customers, reports, and testing credentials!

SIGNUP

- Go to www.bsionlinetracking.com.
- Click Signup.
- Create username & password** + company profile.
- Login with username and password.
- Add testers and test kits under the "manage" tab.
- Upload or send copies of all applicable licenses and test gauge calibrations for all testers to BSI.

**Usernames and passwords are case sensitive. Please choose something secure, but also something you'll remember.

CCN

The most unique feature of BSI Online is you, the tester, will be submitting test reports online via www.bsionlinetracking.com.

This will be done by obtaining the customer confirmation number (CCN) from your water customer. The CCN is listed on the top right of their annual notification letter and does not change.
